V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The amount of \$4,000,000 reflects the sum total for damages owed, lost wages, health benefits, retirement benefits, employee stock options that were available to me as an employee, per agreement. I was

a paid employee, wrongfully terminated due to malicious and racially-motivated actions initiated against me on my first day of employment, by a single individual in a position of authority (Mr. Wheeler) at Brivo Systems, LLC.

I am requesting damages for the mental and emotional, and physical stress that Brivo's discriminatory actions have incurred. Lastly, Brivo Systems LLC will match the \$4,000,000 amount, to be paid directly to SEMAA (Science Engineering Mat

Aerospace Academy) program at my alma mater, Morgan State University. I was denied wages and other employment benefits, the total of which would exponentially increase over time as an employee.

As I was denied the opportunity to further my employment with the company, the total monetary gains cannot be accurately assessed (particularly with regard to the employee stock options amount and growth over time.
